I am a dedicated and passionate 16-year-old student with a keen interest in web development and technology. I have a strong academic foundation, complemented by achievements in competitive swimming, representing Pakistan at a national level. My goal is to combine my technical skills with my competitive drive to excel in both academics and extracurricular pursuits.

Education

Bay View High School

University of Technical Careers (UTC)

Currently enrolled in Software & hardware Engineering

Skills

- Proficient in HTML, CSS, and basic JavaScript
 - Familiar with responsive web design principles
 - Strong problem-solving and critical thinking abilities
 - Time management and discipline honed through competitive swimming
-

Achievements

Web Development

- Developed [describe a project, e.g., "a responsive portfolio website showcasing my swimming achievements and coding skills"].

Swimming

- Represented Sindh in national swimming competitions.
 - Won multiple awards
 - Maintained rigorous training while excelling academically.
-

Extracurricular Activities

- Active member of the running club at UTC.
- Enthusiastically exploring advanced web development concepts, such as backend development and user experience design.
